FRANKLIN HIGH SCHOOL

PRESIDENT: TOM DOWNING

TREASURER: KIM NGUYEN

VICE PRESIDENT: RACHITA CHAUDHURY

SECRETARY: GABBY KANE

THANK YOU FOR THE WONDERFUL OPPORTUNITY TO SERVE SUCH AN EXEMPLARY CLASS. WE ARE SO PROUD OF OUR CLASS OF 2014 FOR BEING TALENTED, COMPASSIONATE, AND SUCCESSFUL. WE WISH YOU THE BEST OF LUCK AND LOOK FORWARD TO SEEING YOU ALL SOON.

~TOM, RACHITA, KIM, AND GABBY

A LETTER FROM YOUR PRESIDENT...

Dear Class of 2014,

Can you believe this? Here we are, graduating Franklin High School after four of our most eventful years yet. We entered this school as naïve freshman just trying to make sense of all these new things in our lives. We wondered where F wing was located, met new people that became our best friends, and learned from inspirational teachers that we still love talking to. We grew and realized that obviously, the new freshmen each year were lamer than we were as freshmen. We took our last MCAS, despised walking past the entrance to C-wing during locker breaks, and cheered on our friends as athletes, artists, musicians, and much more. In addition to becoming more familiar with the school layout, we learned the layout of the town with our drivers' licenses and rapidly growing independence. The SATs and ACTs have now passed for better or for worse, but everyone thanks their lucky stars that those tests are over. Pressure to figure out our lives after high school has piled on, but nothing is enough to overpower the strength of Senioritis. In all seriousness, we have accomplished so much and deserve to be proud graduates of Franklin High School.

The class of 2014 is in the unique position of being the last class to graduate from this school building that was completed in 1972. While we gripe that we were slighted the experience of the admittedly remarkable new high school, it's almost fitting that we leave this building to be knocked down. Each of us is entering a more sophisticated world where we hope we can leave our own mark. We will always have the memories of our high school years here. But just like the FHS community, we are moving on to the next stage. Whether that is entering a career, serving our country, attending college, or taking a gap year, our futures hold exciting opportunities for us.

I want to thank you all and let you all know that serving this class has been a great honor. Our class owes a great deal of thanks to the class officers, representatives, and advisors. Mr. Walsh and Ms. Boisvert have supported us since freshman year and have constantly performed miracles that have saved our banquets, prom, and other social activities. In addition, there have been countless instances of our family and friends helping with fundraisers, assisting with schoolwork, and supporting us in all aspects of our lives and they deserve the utmost gratitude.

Thank you to everyone and I hope all of you have the best of luck with your future endeavors.

*Sincerely,
Tom Downing*

Class Advisors' Letter

To the Class of 2014,

In August of 2010, some of your best friends were still complete strangers. You had never driven a car. Your fashion sense was horrific. But then Franklin High School.

As your class advisors, we'd love to take credit for your growth and development, and maybe in some small way we can. But it takes a village to raise a child, and that village includes everyone who has walked the halls of FHS over the past four years. Maybe it was the senior when you were a freshman who encouraged you to audition for the play or Districts. Perhaps a coach has given you a life philosophy that will stay with you the rest of your life. Maybe it was a teacher who has since retired who never gave up on you.

Some of the lessons you learned here were tough. How many of you lost a loved one during your years at FHS? Did a relationship end badly? Maybe you struggled academically and even failed in a subject along the way. But as Albert Einstein said, "You never fail until you stop trying." We hope that you know how proud we are of you for not giving up.

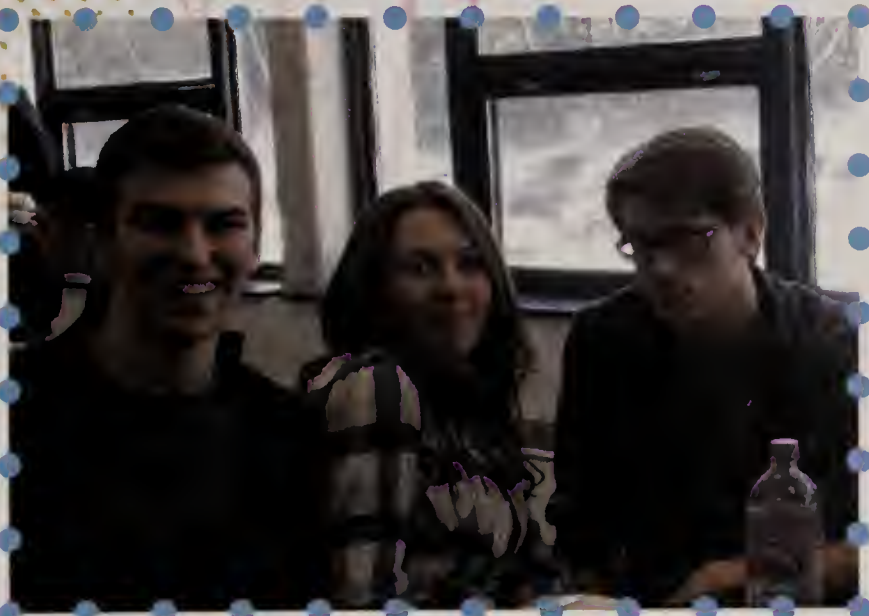

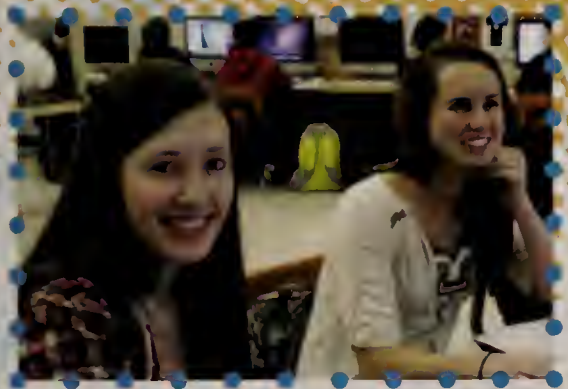

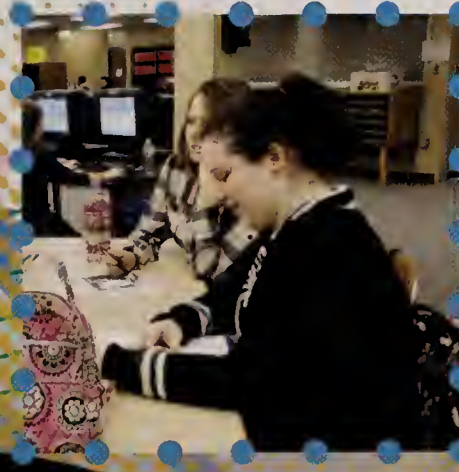

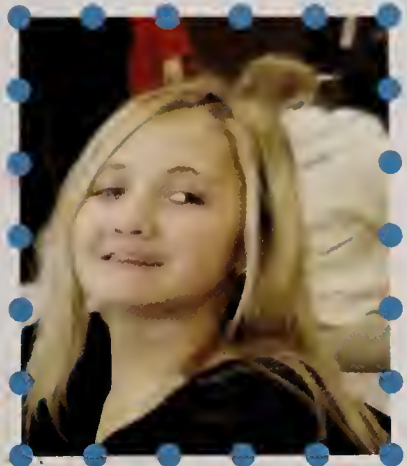

Can you believe it's time to graduate? From our perspective, the years have flown. From our first assembly in the lecture hall when one of us nearly broke his neck falling off the stage, when Tom Downing's fundraising thermometer was stuck at \$0, to graduation practice in the soon-to-be-demolished Field House, we've enjoyed every minute (OK almost every minute) with you. We hope that each and every member of the Class felt included in events such as Spirit Week, the Junior Prom, Senior Banquet, and Senior Week.

Maybe we are a little biased, but we feel strongly that yours is a special Class. We lucked into advising a group with spirit, integrity, and kindness. Leading this Class has been one of the most meaningful and enriching experiences of our teaching careers, and we thank you for that.

So before you go, take one last stroll down Main Hall. Visit your favorite teacher one more time. Share a laugh in the café. And don't worry. They may take a Wrecking Ball to the old Franklin High School, but the memories you created here will live for as long as you keep them in your hearts.

Sincerely,
Your Class Advisors,
Mr. Walsh and Ms. Boisvert

Cheerleading

A Word from Your Captains

Chillleaders,

We have come so far throughout this season, proving ourselves and everyone else that we do have what it takes to be successful. The feeling we all got when we made it to states is the feeling that you should constantly be striving for. We are so lucky to have experienced our senior year with you girls and we are happy that we are now able to call you our sisters. Our advice to you is to create a special bond with your team because without that connection, success is unattainable. Enjoy every second because before you know it you will be cheering your last Friday night game under the lights or your last competition. These memories will stay with you forever. Never forget the time in our corner, singing on the bus, or our reputation as the chilliest cheerleaders around (Sarah Hurley). We can honestly say this was our most memorable year with the most amazing girls and we are so proud to have a team like you.

"Strive for awesome"

"When in Doubt Chilllead Out"

"States. States. States. States. States."

"Can I Get a Team Shock?"

We love you so much,
Your Captains,
